**Pleasant Hill, OR 97455**

# WELCOME

## **Welcome to the American Cancer Society 2024 Relay For Life of Eugene-Springfield Presented by Dari Mart and Dutch Bros Our theme this year is “Racing to a Cure”!**

We are all here for the same reason; cancer has impacted our lives in some way. We have gathered to celebrate life, remember those who have lost their battle and to provide hope and support for those who have just begun to fight.

On behalf of the Volunteer Event Leadership Team,  
we thank you all for your continued  
support of this Relay. Have fun and enjoy!

### **Special Notes and Reminders**

If you have any questions, look for Relay For Life  
Committee Members in their “Red” T-shirts.

- ◇ Drink lots of water!
- ◇ Please help us keep this venue clean. Make sure not to place anything on the walking track.
- ◇ Cancer survivors, we would like to honor your victory in the fight against cancer. If you would like to participate in the Survivor’s Lap, meet at the track immediately following our Presenting Ceremony. Caregivers, please join our Survivors during this lap.
- ◇ Luminarias are simple white bags that are decorated and illuminated after dark. Each one is personalized with the name, photo, message or drawing in memory or in honor of a friend or loved one who has been affected by cancer. Every luminaria represents a person, and we place them around the track. Luminarias are available to purchase at our Luminaria tent.
- ◇ No alcohol, no firearms, and of course NO SMOKING!
- ◇ A parent or chaperone must accompany participants under the age of 18.
- ◇ Don’t know where to go? Find the Registration Tent. This is where you turn in donations and have general questions answered.

**Thank You to our Presenting Sponsors!**

**DARI  
MART**

**Our family's best.**

**DUTCH BROS**  
The Dutch Bros logo consists of the words "DUTCH BROS" in a bold, blue, sans-serif font. Below the text is a horizontal bar with three stripes: yellow on top, red in the middle, and blue on the bottom. To the right of the bar, the word "Coffee" is written in a yellow, cursive script font with a small trademark symbol.

***Thank you!***

**For all your amazing continued support of  
Relay For Life of Eugene-Springfield!**

# Welcome from Co-Event Chair

Welcome to all! We are so excited to have you all here to celebrate and participate in the **32nd annual Relay for Life of Eugene/Springfield hosted by Pleasant Hill.**

Our local Relay for Life raises funds and awareness for cancer research, prevention, and providing patient support services to our area, something we cannot do without the wonderful help of this strong community. This year's event balances the Relay traditions we've come to expect with a twist of innovation and local ingenuity.

Your dollars support local programs like **Road to Recovery**, that provide transportation to and from treatment/services for people with cancer who do not have a ride or are unable to drive themselves. It fuels necessary research and development of new treatments helping to **increase the overall cancer survival rates to 67%**, higher than it ever has before. In fact, 73 cents of every dollar donated goes directly to research, prevention, detection, education, and patient support.

**This year we'd like to extend a special honor to all our: *Survivors, Caregivers, those Lost and those Impacted by cancer.***

Each of you have a story, and like me, we hold those close to our hearts. Relay for Life's identity thrives and shines because we remember the past, live in the present, and daily, focus our future hope on what we can do to help eradicate cancer. While your motivation or purpose to be here today is personal, and specific to you, look around. Today you are not alone, today we are together and taking more steps forward in the fight against cancer.

This year I am tremendously grateful to all levels of our Relay committee and community volunteers, our Relay teams, continued partners, programs/services, sponsors, supporters, and friends. Today's event is inspired by you and the countless hours of work and support or resources you dedicated.

As we celebrate 2024 Relay for Life of Eugene/Springfield, come together. Remember together we are **One World – One Hope for change!**

Amber Stutzman, 2024 Co-Lead Event Chair

# Welcome From Co-Event Chair

Thank you for attending the 32nd annual Relay For Life of Eugene/Springfield. As your co-event chair, I am thrilled to have you join us in this incredible journey of hope, remembrance, and action.

Over the past year, our dedicated committee has been hard at work to create an event that not only engages but also inspires and reminds us of our mission. Each one of you has a unique and powerful reason for being here, and I encourage you to keep that reason close to your heart throughout the event.

Every step we take, every dollar we raise, and every moment we relay brings us closer to ending the fight against cancer. Your presence and participation are deeply appreciated and truly make a difference.

Thanks to your efforts, the American Cancer Society can provide essential services such as rides for patients to and from treatment through the Road to Recovery program, and accommodations at Hope Lodges for patients and their families when treatment takes them far from home. Your contributions also fund vital research grants, leading to groundbreaking discoveries that improve the quality of life for those battling cancer.

Remember, your participation in Relay For Life has a profound impact. Together, we are making strides toward a world without cancer.

As we celebrate our yearlong efforts here today, next year and for years to come- I am proud to say “ I am a Relayer” and I hope you are too.

Kaylin Salladay, 2024 Co- Event Chair

## Your Dollars at Work—What Your Gift Can Do:

### Programs and Services

- **\$10** — Helps put **free cancer education** in the hands of those who need guidance
- **\$25** - Could help one person get **free information, support, and access to resources** through our 24/7 helpline at **1-800-227-2345** or via live chat at **cancer.org**
- **\$50** - Could help provide a breast cancer patient with **one-on-one peer support** from a breast cancer survivor
- **\$100** - Could help **provide four patients a ride** during treatment or to a follow-up appointment
- **\$200** - Could **provide wigs** for three patients in treatment
- **\$500** - Could help provide 10 patients and caregivers with a **night of free lodging** when they have to travel for cancer treatment

RELAY FOR LIFE OF  
EUGENE-SPRINGFIELD

# SILENT *AUCTION*

Gift certificates, goodie baskets,  
experiences, and more!

**Auction closes at 7 PM**

**Please pick up  
items between  
7:15 – 8:15 PM  
or 10 PM – 10:30 PM**

To view items and bid,  
please **use your

The mission of the **American Cancer Society** is to improve the lives of people with cancer and their families through **advocacy, research, and patient support**, to ensure everyone has an opportunity to **prevent, detect, treat, and survive cancer.**

**If you or a loved one is dealing with cancer, we're here for you.**

[cancer.org](https://cancer.org) | 1800.227.2345  
Every cancer. Every Life.

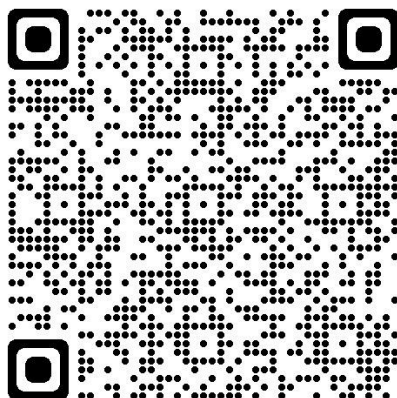

**Help Us Become a ACS CAN Club member!**

With just **\$10** you can be a part of the effort to fight for cancer patients and their families in the halls of government. Your support allows for volunteers to talk with their lawmakers in DC and in every state's capitol about **research funding, access to care, and quality of life.** The American Cancer Society Cancer Action Network believes fighting cancer should be the top priority of our lawmakers and no one should face barriers to access their treatment!

**Join today and be part of our movement!**

# Luminaria Ceremony

Many loyal Relayers have asked over the years about the history of the emotion-filled Luminaria Ceremony. We wanted to share the following information which was gathered from the collective memories of the founder of the Relay For Life, Dr. Gordon Klatt, and Pat Flynn, his friend and Relay devotee during the first few years of the Relay.

In 1988, Seattle was getting ready for their first Relay. They had arranged for lights but discovered about noon on the day of the event that for some reason, the lights weren't going to work. As you can imagine, the Committee was fit to be tied! Then one of the members suggested lining the track with luminaria bags to enable the participants to see the track as they walked or ran. The Committee immediately ran out and got what they needed to implement the "Luminaria Light" idea. When they lit the candles in the bags that night it changed the atmosphere on the track. The soft lighting was conducive to talking about why everyone was there to fight cancer and honor those who had won the battle.

The next year Tacoma (who had heard about the beautiful experience the candles had produced) and a couple of the other Relays included a Luminaria Ceremony honoring cancer survivors and remembering those who had lost the battle. Everyone who took part in the Luminaria Ceremony was deeply touched, and it just grew after that.

Participants and community members can make a personal dedication by purchasing a luminaria in memory of someone you love and have lost to cancer, or in honor of someone who has survived or is still fighting cancer.

For a donation, a candle will be lit in memory, or in honor of your loved one. The Luminaria Ceremony will start at 8:30pm Saturday night. Details and forms for luminaria are available at the Luminaria Tent.

## Thank You!

may be listed by event date

### What is the All Star Club?

The Relay All Stars are a select group of individuals committed to achieving extraordinary fundraising results for the American Cancer Society's Relay For Life event. These individuals raise \$2,500 or more.

### What is the Grand Club?

Each year, thousands of Relayers across the nation enter the prestigious Grand Club - a special group for those that have raised more than \$1,000 for the American Cancer Society's life-saving mission.

# 2023 American Cancer Society Impact Report

## Relay For Life 2023 Impact Report

The American Cancer Society Relay For Life is the largest cancer walk in the nation. For nearly 40 years, communities across the world have come together to raise funds to help end cancer as we know it, for everyone – and we have no intention of ever slowing down. Funds raised through Relay For Life events directly support research, education, advocacy, and services for people with cancer and their families.

### 2023 by the Numbers

- Relay For Life events (US): **1,204 events**
- Relay For Life countries (*including the US*): **31**
- Relay For Life participants in the US: approximately **165,000**
- Relay For Life dollars raised in the US: **\$68 million**
- Dollars raised since 1985: **\$6.9 billion**

### Thanks in Part to Funds Raised through Relay For Life

- More than **\$400 million invested in multi-year grants** at nearly 200 institutions
- **Free lodging provided at 32 Hope Lodge® communities** across the nation
- Approximately **300,000 calls and online chats** for support provided in 2022
- More than **305,000 free rides to treatment** provided through transportation grants in 2022

### Breakthrough Research Made Possible by Your Support

- **Cory Abate-Shen, PhD** - \$400,000 grant for prostate cancer, Columbia University Medical Center
- **Pietro Genovese, M.S.** - \$300,000 grant for acute myeloid leukemia, Boston Children's Hospital
- **Stephanie Fraley, Ph.D.** - \$792,000 grant for breast cancer metastasis, The Regents of the University of California, San Diego
- **Donald Sullivan, M.C.R.** - \$1.782 million grant for lung cancer, Oregon Health & Science University

# Oregon

## 2023 Cancer Research Facts and Funding

### 2023 in Oregon

- 26,030 estimated new cancer diagnoses
- 8,430 estimated deaths due to cancer

Snapshot of New Cancer Cases by Type  
(Estimated for 2023)

### In the United States

- **1.9 million** estimated new cancer diagnoses
- **609,820** estimated deaths due to cancer

**1 out of every 5 deaths will be caused by cancer**

### FY2022 Research Funding in Oregon

- **Total NIH State Funding:**  
**\$399,671,552**
- **Total NCI State Funding:**  
**\$60,286,579**
- **NCI Designated Cancer Centers:**
  - Knight Cancer Institute

### FY2022 NIH and State Economic Impact

- **6,716** jobs in Oregon supported by NIH funding
- **\$989 million** created in new economic activity based on NIH funding

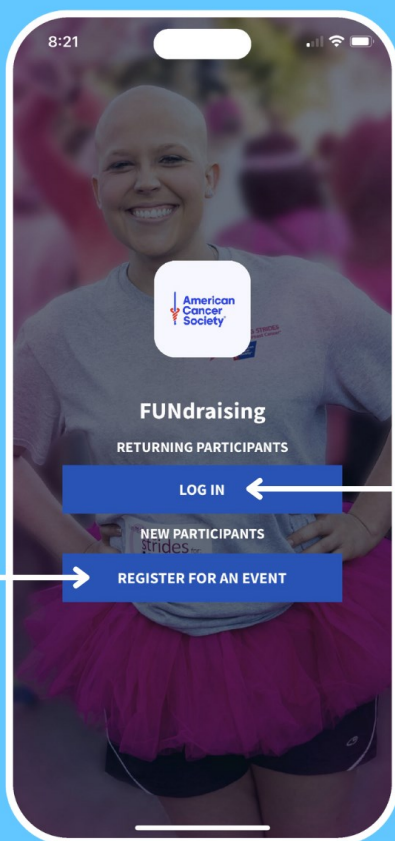

### Oregon Research Accomplishments

Individuals without health insurance are less likely to receive recommended cancer screening and prevention services. Many of these individuals receive care from Community Health Centers (CHCs). Through an NCI grant, Oregon Health and Science University researchers are working to improve cancer screening rates at CHCs through health information technology tools for Cancer Screening and Health Insurance Promotion (CATCH-UP tools). This research could influence an improvement in the rates of cancer screening and prevention and increase the number of people health with insurance coverage.
