When someone is diagnosed with cancer, it impacts everyone – families, neighbors, and friends.

As a community, we can attack, and ultimately defeat, our biggest rival: cancer.

That's why we will come together at the 27th Annual Relay For Life of Hilo to help the American Cancer Society save lives, celebrate lives, and lead the fight for a world without cancer.

Relay For Life of Hilo has grown into the largest cancer fighting event in Hawai'i. Companies, friends, families and people from all walks of life attend the event. It's more than just a walk; It's a time to gather as a community to honor survivors and loved ones lost to cancer. Bring your boots and your cowboy hats and let's kick cancers butt!
