

.....I Recommitment

If your event requires you to raise a minimum to participate, you'll need to recommit to your fundraising after you've registered.

After you complete registration, you'll immediately be taken to your dashboard, where you'll see your QuickStart checklist. If recommitment is required, the first step is Commit to Fundraise. Simply click the RECOMMIT NOW button and complete the form. You will be charged \$1, and should you not meet your fundraising minimum by the deadline, your credit card will be charged the remaining amount.
