What is Relay For Life?

Relay For Life is a walk that unites the entire community in the fight against cancer.

At Relay we celebrate cancer survivors & caregivers, remember loved ones touched by cancer, and fight back by fundraising to save more lives.

In addition, a variety of activities & entertainment are available during the event for all ages!

All are welcome to attend, enjoy the ceremonies, activities, & entertainment and walk as much or little as able during the 5 hour event.

Are you a Cancer Survivor? or do you know a Survivor?

The American Cancer Society considers a Survivor is anyone who has heard the words "you have cancer" regardless of where they are in their cancer journey and at Relay we want to celebrate each Survivor and their caregivers.

Contact Whitney Minnick to be added to our Survivor/Caregiver mailing list.
