

Light a Luminaria

to Remember or Honor a Loved One Touched by Cancer
at the American Cancer Society

San Pedro Relay for Life - May 17, 2025

Christ Lutheran Church & School

28850 S. Western Avenue, San Pedro

7:00pm Luminaria Ceremony*

**Event information & updates available at www.relayforlife.org/sanpedroca*

What is a Luminaria?

A Luminaria is simply a small white bag with a glow stick that illuminates it from within. Each Luminaria bears the name of the person who has battled cancer. Tribute Bags are a larger version of the Luminaria Bags.

As the sun begins to set and we prepare for the Luminaria Ceremony, we will place our bags around the track and illuminate them. As they glow into the night they act as a path of **HOPE**. You can salute a cancer survivor by placing their name under **"In Honor of"**, or you can remember someone who has lost their battle by placing their name **"In Memory of"**. Your contribution will make a difference and will help save lives!!
