

Track Sign Sponsorship

2025 Relay For Life of the Greater Capital Region

Fight cancer by sponsoring a track sign at a Greater Capital Region Relay For Life event. Your sign shows your support in the community and will be seen every time a walker circles the track during our live events. We can customize the sign to include information about your business or you can sponsor a sign in honor of a special person touched by cancer. Best of all, the cost of your sign goes to help in the fight against cancer.

For an additional donation you can have your track sign featured at multiple Relay For Life events in the area, or we can scan your business card and add it to our business card sponsor album on the Relay For Life of the Greater Capital Region Facebook page.
