

Help Illuminate HOPE by Dedicating a Luminaria at Relay For Life of Jackson County

Your donation to remember or honor a loved one will provide hope to all those facing cancer and all the families affected by cancer. All proceeds go directly to help the American Cancer Society save lives and create a world with less cancer and more birthdays by helping people stay well and get well, by finding cures, and by fighting back.

Luminaria bags and torches transform and illuminate the night at every local Relay For Life event in over 5,200 communities nationwide. Each luminaria is personalized with a name, photo, message or drawing in memory or in support of a friend or loved one who has been affected by cancer. Each luminaria candle represents a person - a mother, father, sister, brother, aunt, uncle, niece, nephew, friend or co-worker - who has been touched by cancer.

The Luminaria Ceremony is the gathering of the community and loved ones to support and remember those lost to cancer and to honor those whose fight continues. After the sun sets, luminaria lining the track light up the night, reminding us all why we fight back against this disease.
