The American Cancer Society Making Strides Against Breast Cancer walks are the largest network of breast cancer awareness events in the nation, uniting nearly 300 communities to create a world free from the pain and suffering of breast cancer. But they depend on the passion of volunteers like you. The money you help raise enables the Society to fund innovative breast cancer research, provide comprehensive information and services, and ensure access to mammograms for women who need them.

To volunteer, complete the form below, visit MakingStridesWalk.org, or call 1-800-227-2345.

IF YOU CAN'T MAKE IT TO THE WALK, YOU CAN STILL HELP.

Make sure others come to the walk by distributing walk papers and promotional materials in your neighborhood. Or help out by recruiting new volunteers, coordinating walk materials, and contacting past participants by phone.

HOW YOU CAN PUT YOUR DETERMINATION TO WORK:
