Relay For Life of Northern Solano County

On April 26, 2025, we will once again celebrate at Andrews Park in Vacaville with volunteers, supporters and well wishers all seeking to honor loved ones whose lives have been impacted by cancer. We will raise awareness of our mission as well as raising life-changing funds that benefit those in our area in the fight against cancer.

Since 2003, the Solano County communities have raised more than \$12,735,000! That's equivalent to 195,900 free nights of lodging for cancer patients and their caregivers when treatment is far from home. That's also equivalent to more than 254,700 rides free of charge to patient treatment appointments through our Road to Recovery program. Funds raised also go towards funding scientific researchers in an effort to find a cure. So far, the American Cancer Society has funded 52 researchers whose work fighting cancer has resulted in each receiving a Nobel Prize.

While we're making great progress, it's going to take all of us to beat this disease. Your investment in the American Cancer Society means we're able to provide support to everyone impacted by cancer, in every community, from research to education, prevention to diagnosis, and treatment to recovery.

Please fight along side us on April 26th. Your support makes an incredible difference!
