

40 Years of Impact.

Hope Club

Once you raise a minimum of \$100, you join our Hope Club, a group of dedicated participants who have achieved this fundraising goal, and you will receive our special Hope Club shirt to wear proudly at your event.

After earning Hope Club status, you will receive an email allowing you to redeem your Hope Club shirt.

Team Captain

If you participate in a GoldTogether team, you can choose a GoldTogether Hope Club shirt instead of the traditional shirt.

New in 2025, team captains (and co-captains) will receive a special Team Captain shirt once their team raises \$1000. Both team donations & participant donations count towards the \$1000 threshold.

After achieving \$1000 or more in fundraising on your team, captains and co-captains will receive an email to redeem for their shirt.

Survivor

Cancer survivors will be given the option to provide their size for their purple survivor t-shirt during the online registration process for their Relay For Life event. Shirts will ship weekly to the address provided during registration. There is no fundraising requirement for survivor shirts.

Event Leadership

Redemption emails and shirt shipping will begin December 2, 2024.

Returning in 2025, ACS staff partners will order ELT shirts for all event leadership team volunteers. There is no centralized redemption process for ELT shirts in 2025. Although we encourage all ELT members to be part of the Hope Club, there is no fundraising requirement for ELT shirts.
