

American Cancer Society Relay For Life of Santa Clara 2025

Engaging organizations and the Santa Clara community

Relay For Life is more than a walk – it’s a chance for our community to come together to celebrate cancer survivors, remember loved ones lost, and fight back against every cancer as we come together for every life.

Get involved today!

There are many ways your organization can become a part of the Relay For Life movement.

Become a sponsor. Sponsorships are tailored to your business objectives with maximum flexibility.

Participate as a company team. Engaging your employees in saving lives from cancer and celebrating your survivors is a great way to help boost employee morale.

Promote volunteerism. As Relay For Life volunteers, your employees and leaders will find ample opportunity to use their professional skills and networks.

Provide in-kind services or donations. In-kind donations such as food, water, sound equipment, and tents are valuable assets that help ensure a successful Relay For Life event.

Exhibit at our Community Resource Fair. Join us in supporting those in our community fighting cancer and bring your business or group’s services to the attention of all attendees with a booth in our Resource Fair area.

Relay For Life of Santa Clara

May 10, 2025 • Franklin Mall, Santa Clara
