

Dear Community Partner,

This letter is a request for a donation for the Relay for Life of Greater Grove City, a fundraiser that benefits the American Cancer Society. The event will be held in June 2025, during Laurel Festival Week in Town Square in Brookville, PA.

Typically, volunteers ask businesses and organizations like yours for both financial and/or in-kind donations for various activities and recognition items for our survivors, families, and friends at Relay. Anything you can give would be appreciated. We are trying to minimize our expenses and make sure every dollar donated goes to the fight against cancer.

The Relay is much more than a fundraiser; it is an opportunity for people from our community to pull together and achieve something that means so much, to so many...a cure for cancer and celebration of survivorship. The Relay for Life Event is a day of remembrance and celebration. We also invite you to join us at the event June 2025!

Thank you,

A handwritten signature in black ink that reads "Nikki Carey".
